# **Student Debt Clinic**

**Sponsored by the American Federation of Teachers**

**June 29, 2018 at the City Union of Baltimore**

Over 44 million people in the United States are struggling to make their monthly student loan payments, and millions more see economic and personal opportunities pass as they prioritize paying down their debt. Does this sound like you or someone you know?

Many of these people may qualify for free federal programs that can help reduce their monthly payments and eventually lead to student loan forgiveness, but these lifeline programs are significantly under-enrolled. In an effort to help our members get access to these programs, City Union of Baltimore and the American Federation of Teachers are proud to host a Student Debt Clinic which will provide information on how to enroll in Income-Driven Repayment plans and Public Service Loan Forgiveness.

Space is Limited. **You MUST RSVP:**
