THE MAYOR AND CITY COUNCIL OF BALTIMORE

This Memorandum of Understanding entered into as of the 1st day of July 2016 between the Mayor and City Council of Baltimore (hereinafter referred to as "Employer" or "City") and City Union of Baltimore, Local 800, AFT, AFL-CIO (hereinafter referred to as "CUB"). To the extent that implementation of these points requires action by the Board of Estimates and/or the City Council, this Memorandum will serve as a request and recommendation to such bodies that it be so implemented.

ARTICLE 1: DECLARATION OF PRINCIPLE, POLICIES AND PURPOSE

It is the intent and purpose of CUB and the Employer to promote and improve the efficiency of the operations of the City of Baltimore. In order to render the most efficient public service to the citizens of the City, CUB and Employer agree that this goal can best be achieved through an orderly, constructive and harmonious relationship between them. The parties hereto are in further accord that effective employee relations in the public service requires a clear statement of the respective rights and obligations of labor and management and for this purpose enter into the following Memorandum of Understanding.

The Employer and CUB agree that in all instances in this Memorandum in which the masculine form of the third person pronoun is used, such pronoun shall refer to both male and female employees.

ARTICLE 2: RECOGNITION

A. Pursuant to the provisions of the Municipal Employees Relations Ordinance ("MERO") Article 12 of the Baltimore City Code and the Code of Public Laws of Baltimore City, the Employer recognizes the City Union of Baltimore ("CUB" or "Union") as the exclusive representative of all eligible employees in Unit I and certain employees who are presently unrepresented for which CUB has been certified.

B. All Classification Titles and the current pay grade for each title included in the Units for which CUB has been certified shall be listed in the Roster of the Unit. The Employer agrees to furnish CUB a complete list of classification titles and pay grades for all classes which, through reclassification, change in duties, change in titles, or any other reason are proposed as additions, deletions, or changes to Units for which CUB has been certified prior to any such changes. The list to be furnished shall include the name and work location of each person currently employed in the bargaining Unit I.

C. The Employer agrees to provide CUB with advance notice in writing should it decide that a position within the Unit should be excluded. The notice shall include a reason for the exclusion and CUB shall be given the opportunity to discuss the matter.

D. The parties have agreed to create a separate bargaining unit (Unit II) for inclusion of supervisory employees as that term is defined in the City Code, Article 12, §1-1(k). All classifications not designated to Unit II, shall remain in the non-supervisory Unit I. A separate MOU shall be prepared and executed concurrent with this Agreement, and contain identical terms except those set forth in Article 2, and the *CUB Classification Listing* attached to the FY 2017-2019 MOU.

E. Classification Listing: When this Memorandum of Understanding is noted by the Board of Estimates by that action, the Mayor and City Council also shall recognize CUB as the exclusive representative of certain employees who are presently unrepresented. Within ten (10) days of execution of this Agreement, the Labor Commissioner shall meet with representatives of CUB to commence identification of such classifications. The affected classifications and employees holding such classifications shall be listed in the *CUB Classification Listing* attached to the FY 2017-2019 MOU.

ARTICLE 3: CHECKOFF

A. The Employer agrees to deduct CUB dues or service fees from the pay of any employee who is certified and represented and who has authorized in writing such deduction pursuant to the pertinent provisions of the Municipal Employee Relations Ordinance. Even if a probationary employee signs a dues check-off authorization before the employee completes his/her probationary period as provided under the Municipal Labor Relations Ordinance, the Employer shall nonetheless begin to check off union dues, as authorized in the check off, within the next full pay period following the Employer's receipt of the check off authorization from the employee. The terms of this paragraph A shall not for any other purpose change or expand the definition of an "employee" contained in Baltimore City Code Art. 12§ 1-1(d) and moreover this paragraph A shall not extend any representational rights to any probationary employee. The Employer shall promptly transmit all such moneys withheld to CUB on a monthly basis through the Automatic Clearinghouse (ACH), without charge to CUB.

B. The Employer agrees to deduct CUB service fees from the pay of any employee who is certified to be represented, is not a member of the local union and not excused from the payment of service fees pursuant to the pertinent provisions of the Municipal Employees Relations Ordinance. The Employer shall promptly transmit all such moneys withheld as service fees to CUB on a monthly basis, without charge to CUB.

C. Political Action Checkoff

The Employer agrees to deduct from the pay of each employee from whom it receives an authorization to do so, an amount authorized by the employee for political action. If administratively possible, the amount authorized by the employee shall be deducted on a bi-weekly basis, and a list of the employees from whom the deductions have been made and the amount deducted from each, together with a list of the employees who had authorized such deductions, shall be forwarded to the Union no later than two weeks after such deductions have been made in a separate check from Union dues. If not administratively possible, the above transactions shall revert to a monthly basis. The Political Action Checkoff Authorization Form shall read as stated in Addendum C.

D. CUB shall indemnify and save the Employer harmless of any and all claims, grievances, actions, suits or other forms of liability or damages that arise out of or by reason of any action taken by the Employer for the purpose of complying with any of the provisions of this section, and CUB assumes full responsibility for the disposition of the funds deducted under this section.

E. The Employer will provide up to 1 (one) hour during orientation for a Union Representative to meet with new hires, transfers, or others who become part of bargaining unit. No less than once every six months, the Employer shall notify the Union, in writing by mail the times, dates and places of all new employees' orientation sessions. The Employer shall provide a confirmation notice of the place of each session one week before each scheduled session. In the event no formal orientation session is scheduled, the Employer shall arrange a meeting time and place for the Union Representative to meet with such employees.

ARTICLE 4: MEMBERSHIP DUES DEDUCTION PRINT-OUT

A. The Employer shall provide CUB with a print-out of its dues-paying membership to be furnished on a monthly basis without charge to CUB.

B. The Employer shall provide CUB with a print-out of all employees in the Unit for which CUB has been certified with classification title, work location, date of hire and amount of dues or service fees paid by each employee on a quarterly basis.

ARTICLE 5: UNION SECURITY

All Employees covered by this Memorandum of Understanding (1) who are employed after July 1, 1976 (or with respect to employees of the Police Department who are employed after July 1, 1987) and elect not to join or remain members of CUB or (2) who were employed prior to July 1, 1976 (or with respect to employees of the Police Department who were employed prior to July 1, 1987) and had previously executed membership or dues authorization cards as members of said CUB, but hereafter elect to terminate such membership and/or revoke said dues authorization cards, shall, as a condition of continued employment, following their established probationary period, pay a service fee to CUB in an amount not to exceed the then current CUB dues in order to defray the costs incurred by the said CUB in the negotiation, administration and implementation of the terms of the Memorandum of Understanding, and all modifications and amendments thereto, including related proceedings before an impasse panel or arbitrators, the processing of grievances, the conduct of disciplinary proceedings and in the appeal thereof, the protection and improvement of Civil Service rights, and any and all other proceedings and matters for which CUB is the employees' exclusive representative as a result of its certification. Pursuant to the provisions of this Article and applicable law, the personnel department of each agency shall notify all new employees at the time of hiring that they are required, as a condition of continued employment, to pay Union dues or service fees to CUB.

Any procedures used by the Union to charge service fees to any employee for these purposes shall be in compliance with the rules set forth in the Supreme Court's decision in Chicago Teachers Union, Local No. 1 v. Hudson, 475 U.S. 292 (1986), and other relevant federal and state court decisions. CUB shall indemnify and hold the Employer harmless from any and all claims, grievances, actions, suits or other forms of liability or damages that arise out of the procedures implemented by the Union.

ARTICLE 6: DISCRIMINATION

A. All provisions of this Agreement shall be applied equally to all employees in Unit I for which CUB is the certified representative without discrimination as to age, sex, marital status, race, color, creed, national origin, political affiliation, disability or sexual orientation.

B. The Employer and CUB agree that they shall not interfere with employees in the exercise of the rights guaranteed under the Municipal Employee Relations Ordinance. The Employer shall not discriminate against an employee in any manner because of membership in or activities on behalf of the Union.

ARTICLE 7: MANAGEMENT RIGHTS

The Employer shall have all of the rights set forth in Article 12, Section 3-2a of the Baltimore City Code (2000 ed.), formerly Article 1, §123, (supra), which section is incorporated herein by reference.

ARTICLE 8: GRIEVANCE AND ARBITRATION PROCEDURE

A. Subject to any limitations of existing law and the provisions of Section B below, any grievance, defined in the Municipal Employee Relations Ordinance Article 12 (1-1g) as a dispute concerning the application or interpretation of the terms of this Agreement or a claimed violation, misinterpretation or misapplication of the rules or regulations of any municipal agency or the Employer affecting the terms and conditions of employment, may be settled in the following manner. It is understood and agreed that the supervisor or manager who attends the meeting at each step of the grievance procedure has full knowledge of the grievance and has the authority to remedy the grievance.

Step 1. The aggrieved employee, designated steward and/or CUB representative, shall normally discuss the grievance with the employee's immediate supervisor within ten (10) calendar days, and in no event more than thirty (30) calendar days, from the date of the events or conditions, or his knowledge thereof, which provide the basis for grievance. The employee's immediate supervisor shall attempt to adjust the matter within ten (10) calendar days of the presentation of the grievance.

Step 2. If the grievance has not been satisfactorily resolved in Step 1, a written appeal may be filed with the employee's next highest supervisor within ten (10) calendar days following the completion of Step 1. The supervisor shall meet with and discuss the grievance with the aggrieved employee and designated steward and/or CUB representative within ten (10) calendar days of the written appeal. An answer to the grievance shall be submitted to the aggrieved employee and CUB in writing within ten (10) calendar days thereafter.

Step 3. If the grievance has not been satisfactorily resolved in Step 2, a written appeal may be filed with the Labor Commissioner or designee within ten (10) calendar days following the completion of Step 2. Within ten (10) calendar days of such appeal, the Labor Commissioner or designee shall meet with the aggrieved employee and CUB representative to discuss the grievance. The Labor Commissioner or his designee shall respond in writing within ten (10) calendar days thereafter.

Step 4. If the grievance has not been satisfactorily resolved in Step 3, a hearing before an impartial arbitrator may be initiated by CUB within twenty-one (21) calendar days following the completion of Step 3, by filing a written notice with the Labor Commissioner of CUB's decision to arbitrate.

(a) Within ten (10) days of receipt of the Union's written intent to arbitrate the issues involved in the grievance, the Labor Commissioner shall, consistent with the Federal Mediation and Conciliation Service (FMCS) procedures, request a panel of arbitrators from the FMCS. Within ten (10) days after receipt of a panel of seven names obtained from the FMCS, the parties shall alternately strike name from that panel until one name remains who shall be the arbitrator. The

first strike made in selecting an arbitrator shall be alternated between the Union and the employer from case to case.

(b) The arbitrator shall conduct a hearing on the merits and issue a decision to the Employer and CUB. The arbitrator shall not have authority to alter, modify, add or subtract from any of the terms or conditions of this Agreement. The arbitrator's decision—shall be final and binding pursuant to the Municipal Employees Relations Ordinance (MERO), except with respect to grievances involving employees in the Police Department, in which case subsection (c) below shall apply.

(c)

(i) If a grievance involving a Police Department employee involves the policies, procedures or operations of the Police Department or Police Commissioner, the arbitrator's recommendations shall not be final and binding, but shall be advisory only. In the event the arbitrator's recommendations are not accepted by the Police Commissioner, a written statement of reasons will be provided to CUB.

(ii) The determination whether a grievance involves the policies, procedures or operations of the Police Department or Police Commissioner shall be made jointly by the Labor Commissioner and Police Commissioner and this decision shall be binding upon the Employer and CUB. This determination shall be made before an arbitrator is selected.

(iii) If a grievance involving a Police Department employee does not involve the policies, procedures or operations of the Police Department or Commissioner, then the arbitrator's recommendation shall be final and binding pursuant to the Ordinance.

B. Grievances involving employees and operations of the Police Department may be pursued through the procedures set forth in Section A above, except that if a grievance is submitted to the Personnel Service Board in accordance with the provisions of Subtitle 16, Section 16-12 of the Code of Public Laws of Baltimore City, the employee and the Union shall be deemed to have waived their right to have the grievance processed through Section A above.

C. Time limits under this Article may be changed in writing by mutual agreement.

D. If the finding or resolution of a grievance at any step of the procedure is not appealed within any of the prescribed times herein, said grievance will be considered settled on the basis of the last written answer provided by the Employer, and there shall be no further appeal or review. Should the Employer not respond within any of the prescribed times, the grievance will proceed to the next step.

E. Except for Step 1, time limits shall begin for both parties upon the day after receipt of the grievance or the day after receipt of the response.

F. The Union shall be the exclusive representative in all grievance matters under this Agreement.

G. Upon request, any recognized and accredited representative of CUB shall be granted reasonable time off during working hours where and when engaged in processing grievances under the grievance and arbitration procedure.

H. The cost of any arbitration proceeding shall be divided equally between the Employer and CUB.

I. No reprisals of any kind shall be taken by any party involved in the grievance procedure. Except for disciplinary actions, all documents, communications, and records dealing with the processing of a grievance will be filed in a separate grievance file and will not be kept in the official personnel file of any of the participants.

J. Grievances arising out of any discharge, reduction in pay or position, or suspension for more than thirty (30) days shall be filed at step 3 of this article. No resolution of a grievance shall expand or otherwise amend the terms of this Agreement.

K. Should discipline be imposed on an employee while a previous disciplinary action is pending, the parties shall discuss and agree on whether it is appropriate to hear the first disciplinary action prior to the second or merge the two disciplinary actions and have both heard in the same proceeding. If no agreement is reached, the two actions will be merged and heard in the same proceeding.

L. Notwithstanding the other provisions of this Article, the parties agree that there are various grievances, especially routine disciplinary matters, where the employee, the Union and the City are best served by establishing an arbitration process which will provide a more prompt, efficient and cost-effective method of handling such cases. The parties have, therefore, agreed to the following process which will be followed when the Union and the City mutually agree to do so:

1. The parties shall agree on a list of no less than 3 and no greater than 5 arbitrators who shall serve as Summary Arbitrators. Once selected, the Arbitrators shall be advised that they have been selected as members of this panel and shall be sent a copy of this section which sets forth the process which will be followed.

2. A list of Summary Arbitrators will be compiled in alphabetical order and selection of these arbitrators shall be rotated.

3. Procedure: Within twenty-one (21) days following the receipt of the City's Step 3 answer, if the Union decides to proceed to arbitration it shall determine whether it wishes to follow the Regular or Summary Arbitration Procedure and advise the Labor Commissioner. If the Union chooses Summary Arbitration, the Labor Commissioner shall have seven (7) calendar days to decline Summary Arbitration in which case the matter shall proceed to Regular arbitration. Assuming there is no objection to Summary Arbitration the matter shall follow the process in this section.

4. Once a grievance has been designated for Summary Arbitration, the parties shall contact the next arbitrator on the list of Summary Arbitrators. If the next arbitrator is not

available to hear the case within a reasonable period, the parties shall go to the next arbitrator on the list and determine his/her availability. The parties shall continue the list for subsequent cases.

5. Hearings:

(a) The Union and the City shall present their respective cases using a representative of their choosing. It is the intent of the parties for the hearing to be informal and without briefs or transcripts. Upon mutual agreement at the close of a hearing, the parties may agree on filing a short written statement to address one or more issues if that is deemed appropriate.

(b) The Arbitrator shall be responsible for conducting the hearing consistent with the normal guidelines for arbitration cases. The Arbitrator shall have the responsibility for assuring that the relevant evidence and facts are brought forth by the parties and that the hearing is a fair one.

(c) After hearing the evidence and any closing statements by the parties, the Arbitrator shall render his/her decision within four (4) workdays following the date of the hearing. The Arbitrator's decision shall be in writing but the Arbitrator may issue a one or two sentence opinion in order to meet the time requirement herein, and then follow that opinion with an opinion setting forth the basis for his/her findings. It is the intent of the parties that the final opinion by the Arbitrator should be short and succinct and not exceed a few pages.

(d) The authority of the Arbitrator shall be the same as provided for in Article 8A, Step 4(b).

(e) The Arbitrator's decision shall be final and binding upon the parties, but any decision rendered under this Summary Arbitration Procedure shall have no precedent and shall not be cited as precedent in a subsequent case.

6. Costs: The parties shall share equally in the cost of any arbitration proceedings under this section.

ARTICLE 9: DISCIPLINE AND DISCHARGE

A. Discipline - Disciplinary action may be imposed upon employees only for just cause. If the Employer has reason to reprimand or otherwise orally counsel an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public. The Employer must impose a disciplinary action not later than thirty (30) days after the Employer knew or reasonably should have known of the misconduct for which the disciplinary action is being imposed, or within thirty (30) days after the completion of an investigation which shall be conducted in a reasonable period of time.

B. Discharge, Reduction in Pay or Position, or Suspension for more than Thirty Days - The Employer shall not, except with just cause, discharge any employee who has completed his probationary period nor shall the Employer reduce in pay or position or suspend any such employee without just cause. The employee will be promptly notified in writing giving specific reasons for discharge, reduction in pay or position, or suspension for more than thirty (30) days.

1. In the event of a discharge, reduction in pay or position, or suspension for more than thirty (30) days of an employee who has completed his probationary period, the management representative responsible for initiating such action shall, if requested, meet with the affected employee and his CUB representatives within five (5) calendar days from the date of the action complained of.

2. In the event an employee, except an employee of the Police Department, who has completed his probationary period is discharged, reduced in pay or position, or suspended for more than thirty (30) days, such employee and/or his CUB representative may request an investigation by the Civil Service Commission or may initiate a grievance pursuant to the provisions of Article 8 at step 3. Upon the employee and/or his CUB representative electing either the Civil Service Hearing of the Grievance Procedure, such election is irrevocable. If a Civil Service hearing is requested by the employee and/or his CUB representative the Civil Service Commission shall, as part of its investigation, refer such request to its Hearing Officer. The Civil Service Hearing Officer shall conduct a fair and impartial hearing no later than fifteen (15) days from the receipt of such request.

The Hearing Officer, at the conclusion of such hearing, shall make findings of fact and recommendations which shall be forwarded within fifteen (15) days after the hearing to the Civil Service Commission for its determination. The Commission shall take action on such recommendations within fifteen (15) days thereafter. Copies of the Hearing Officer's findings and recommendation and the Commission's written decision shall be sent to the aggrieved employee, the CUB representative and the Department Head.

3. All Civil Service Commission disciplinary proceedings shall be recorded on a tape recorder and/or related machinery to be supplied by the Employer. Following a final disposition by the Civil Service Commission on the Hearing Officer's recommendations, tapes of the Hearing Officer's proceedings in each individual disciplinary matter shall be preserved and inserted in the affected employee's personnel file for further review not to exceed thirty (30) days.

4. Employees whose suspensions or terminations are reduced and/or overturned will be reimbursed within two (2) full pay periods, subject only to those cases which must go through the Board of Estimates, in which case such employee will be reimbursed within two (2) full pay periods following Board approval.

5. Issuance of Discipline and Attendance at Grievance Meetings: It is agreed that the supervisor or manager who is responsible for imposing discipline shall sign the disciplinary form or letter. The City's representative at each step of the grievance process shall include a supervisor or manager who has full knowledge of the grievance and the authority to modify the discipline, if appropriate.

C. In the event that the Baltimore City Charter is amended and a new Human Resources Department is created, the Employer agrees that any such change in the administration of City human resource policies shall not violate an employee's rights to a fair hearing in the event of disciplinary action.

D. Any employee scheduled for a disciplinary hearing or meeting must be given prior notice by management that he has a right to representation by his CUB Representative.

E. Where a police commissioned City employee (i.e. Special Traffic Enforcement Officer, Parking Control Agent) acting within the scope of his/her employment is charged with a criminal offense or is named as a defendant in a civil lawsuit. The City Solicitor will determine whether to provide such employee legal representation through the Baltimore City Law Department, or whether to indemnify the employee if he/she has obtained his/her own counsel. The decision to provide an employee legal counsel will be determined on a case-by-case basis and in the sole discretion of the City Solicitor. In no event will an employee who has been adjudicated "guilty" of a criminal offense or who receives a verdict of probation before judgment (PBJ) be entitled to reimbursement for costs associated with his/her criminal case, including reimbursement for legal counsel.

F. Employees whose terminations arise from an arrest or absence from work caused by detention subsequent to arrest and who are later adjudged not guilty, shall upon request and upon sufficient proof, have the termination for cause expunged from the official personnel file and replaced with a letter of voluntary resignation, after which such employees shall be eligible for rehire, if otherwise qualified. Nothing in this paragraph shall apply to employees disciplined pursuant to the City's Arrest Policy.

ARTICLE 10: PROBATIONARY PERIOD

A. All newly hired unit members shall serve a probationary period of six (6) months beginning on their date of hire, during which the employee's competency to fulfill the duties of the position will be judged by the Employer. Police Department employees shall serve the one-year probationary period as set forth in The Code of Public Local Law of Baltimore City.

B. An employee who is recalled to his/her same position shall not be required to serve a probationary period. Should an employee be recalled to a different classification, the employee shall be required to serve a probationary period, but if the employee is unable to perform the job, she/he shall be returned to layoff status. Employees who quit, are terminated or are laid off for a period in excess of one (1) year, shall be required to serve a probationary period if they are rehired. Employees who are promoted or transferred shall serve a probationary period as set forth in the City's Civil Service Rules and Regulations.

ARTICLE 11: RATES OF PAY

A. During the term of this Memorandum of Understanding, the salary system that was effective July 1, 1989 and which consists of four levels for each salary grade, entitled "Hiring Level," "Full Performance Level," "Experienced Level," and "Senior Level," respectively, shall continue. The length of continuous service required in one level of a grade before an employee may move to the next level of that grade shall be eighteen (18) months. In order for an employee to move between levels, that employee's job performance must be certified as being satisfactory. Under the level movement system, appropriate service in grade prior to the July 1, 1981 implementation of the level movement system shall continue to be credited toward level movement.

B. Wage increases for employees shall be as follows:
FY 2017- 2% across the board wage increase effective July 1, 2016.

FY 2018-2% across the board wage increase effective July 1, 2017. In addition to the aforementioned increase for FY 2018, a one-time bonus of \$500 (five hundred dollars) shall be paid to each active employee who is eligible for the FY 2018 wage increase. Payment of the bonus shall be as soon as practicable following approval, as required, by the City Council and/or Board of Estimates.

FY 2019- 2% across the board wage increase effective July 1, 2018.

The Employer has represented that there shall be no greater wage increases provided to the AFSCME locals. Should that change, CUB shall receive an equal percent wage increase.

C. Employees covered by this Agreement shall receive the following longevity increments as a percentage of the maximum of the grade, or in the event that they are on a flat salary basis, then as a percentage of their annual flat salary, as follows:

- 10 years – 3%
- 15 years – 3%
- 20 years – 3%
- 25 years – 3%
- 30 years – 3%
- 40 years – 2%

D. Night Differential Pay

1. Employees regularly assigned to night or shift work shall be paid thirty cents (\$.30) per hour above their established pay rates for each hour worked on a shift which commences between the hours of 2:00 p.m. and 5:00 a.m. This provision shall not apply to employees whose emergency assignments start or carry into the above-named periods. When applicable, night differential shall be paid at the appropriate overtime rate.

2. An employee not regularly assigned to the night shift, but who works overtime hours into the night shift, shall receive the night differential for all overtime hours worked into the night shift in excess of ten (10) hours in a given bi-weekly payroll period. Said differential shall be paid at the rate of thirty cents (\$.30) an hour at time and one-half (1½).

3. An employee who works overtime extending into the night shift shall be paid the night differential of thirty cents (\$.30) at time and one-half (1½) of that rate if he works the entire night shift regardless of the total number of hours of overtime worked within the given payroll period.

4. Recreation employees in the Bureau of Recreation whose regularly assigned shifts entitle them to night differential pay shall be eligible to receive night differential for all hours worked on a shift which, because of a temporary shift change, commences prior to 2:00 p.m.

E. Hazardous Duty Pay and Environmental Pay

1. A premium of fifteen cents (\$.15) per hour shall be paid to employees for all hours when such employees are required to enter and work in excavated trenches of six (6) feet or more in depth, or to enter through manholes and in any existing underground pipe networks.

2. All Unit employees who are required to make repairs and/or installations from either hydraulic platform trucks or hydraulic bucket trucks at a height of seven (7) feet or more, shall receive a differential of fifteen cents (\$.15) per hour for each hour worked.

3. Employees listed below working in hazardous environmental conditions shall be paid fifteen cents (\$.15) per hour above the established rates for each hour worked on the shift. A hazardous environmental condition shall be defined as one which exposes the employee to an area where highly toxic chemicals are used or an atmosphere where the level of toxic fumes or gases is dangerously high.

All employees at the Back River Waste Water Treatment Plant, the Patapsco Waste Water Treatment Plant and the Eastern Avenue Pumping Station (Department of Public Works, Waste Water Facilities Division) and the Reproduction Shop (Department of Public Works, Survey and Records Section) and the Ashburton and Montebello Filtration Plants shall be paid an environmental differential pursuant to the above provision.

5. The employee must notify the City's Employee Benefits Division within sixty (60) days after a qualifying event occurs in order to enroll in a City Health Care Plan. Dismemberment benefits shall be as follows:

1. For the loss of a hand, foot, or the sight of an eye, the benefit will be one-half (1/2) the amount specified in A, above.
2. For a double dismemberment, the benefit will be equal to the amount specified in A, above. Double dismemberment shall be defined as:

 - (v) Sight of both eyes

B. In the event of accidental death, the benefit payable shall be double the amount specified in A, above.

C. The death benefit as stated in A, above, may be paid in advance to employees who are catastrophically ill. An employee who is catastrophically ill is characterized by the following: (1) he is totally disabled and therefore cannot work for the City or any other Employer in an active or limited capacity, (2) his medical prognosis shall state that the disabling illness which arose either suddenly or gradually is likely to cause the death of the affected employee within a two (2) year period, (3) the affected employee must apply for an ordinary disability retirement allowance or a service retirement allowance, if over age 60, to be eligible for the catastrophic illness payment.

The claim must be filed within six (6) months after the claimant has become incapacitated or disabled and is unable to return to work.

The Department of Human Resources shall be charged with administering the catastrophic illness benefit and determining the eligibility of the claimant for said benefit. Upon request, CUB or the employee shall furnish the Department of Human Resources with any and all data and documentation pertaining to each claim. The Department of Human Resources may order examination of the claimant by a physician of its choice. No benefits may be paid for injuries or disabilities for which compensation was paid under (1) Workers' Compensation laws

If the decision of the Department of Human Resources is unsatisfactory to CUB, an appeal may be made to the Catastrophic Illness Appeals Board. Said Board shall be comprised of three (3) members; one member chosen by the City, one member chosen by CUB, and a third member chosen by both parties to serve as impartial chairman of the Board. The impartial chairman must possess an M.D. degree. In its deliberations, the Board shall be furnished any and all data and documentation pertinent to the appeal by both parties. The Board may order examination of the appellant by a physician of its choice.

If the claimant should expire after it has been determined that his illness is catastrophic and before the catastrophic illness benefit is paid, the payment shall be made to the named beneficiary or guardian upon receipt of a valid death certificate showing that the illness which was previously determined as catastrophic contributed to or was directly responsible for the death.

D. An employee's coverage under this Article shall be terminated upon resignation or thirty-nine (39) days after the last day he was in pay status on the City payroll, except that employees represented by CUB shall be covered by a reduced death benefit of \$5,000 if they retire from City employment. Retired persons so covered shall also be covered by the Accidental Death and Dismemberment provisions outlined herein above at the reduced rate.

E. **Beneficiary**

The beneficiary of these benefits will be one of the following:

- (a) The beneficiary designated by the employee to receive retirement system benefits; or

A work shift shall consist of eight (8) consecutive hours including a forty (40) minute minimum duty free, unpaid lunch period. In the case of the Police Department, employees may be required to work more than one shift in a twenty-four (24) hour period to accommodate routine shift rotations.

B. Shift and other employees shall not be required to work more than sixteen (16) consecutive hours without an eight (8) hour break, except in case of an emergency endangering life, health or safety. If an employee is required to work for more than sixteen (16) consecutive hours under such an emergency situation, that period shall not exceed twenty-four (24) consecutive hours. Employees shall not be regularly required to work more than sixteen (16) consecutive hours. After twenty-four (24) hours, the Department or Agency Head must declare an emergency if the Employer wishes to consider the situation "an emergency" under this provision.

C. Work schedules showing the employee's shifts, workdays, and hours shall be posted on each department bulletin board at all times and at all locations within the department where shift work takes place.

D.

1. In those work sites in which the City has heretofore provided lunch facilities, the City will either provide adequate facilities or stagger lunch breaks where necessary to insure each employee a full forty (40) minute lunch period. With the approval of the appropriate supervisor, employees shall be allowed to leave the work premises during duty-free lunch periods. Approval will not be unreasonably denied.

2. If an employee's unpaid, duty-free lunch is interrupted because of plant operations and the employee is not given time during his shift to finish lunch, the uncompleted portion of the lunch period shall be paid at the appropriate overtime rate.

E. An employee required to work three (3) or more hours immediately preceding a normal full-time work shift or immediately following the completion of a normal full-time work shift shall receive a meal allowance of \$7.50.

F. Call Back -- Employees called in to work outside of their regular shift shall receive pay for a minimum of four (4) hours at the rate of time and one-half (1½) their regular pay. Any employee called to or required to work prior to or after his regular shift, but annexed consecutively to one end or another thereof, shall be paid in accordance with the provision outlined in Article 18, Overtime, but in no event less than one hour, and the aforesaid four (4) hour minimum provision shall not apply. The employee shall then be paid for the balance of his regular work shift at the appropriate rate. Nothing herein shall be construed as to mean compounding of overtime. This four (4) hour minimum shall not be counted as time worked for overtime purposes.

G. When a Unit member is ordered to stand by during his off duty hours and remain available by telephone or pager for call back to duty, that Unit member shall be paid at one and one half times (1½) his regular rate of pay for all hours spent on such stand by assignment.

ARTICLE 18: OVERTIME

A. All hours worked in excess of forty (40) hours scheduled within a work week shall be considered overtime and non-exempt employees shall be compensated at the rate of one and one-half (1½) times their normal straight time rate of pay. All paid leave shall be counted as

hours worked in the computation of overtime. The straight time rate shall be based upon the employee's annual salary divided by 1906.

B. After forty (40) hours of work in a work week, non-exempt employees shall have the option to receive overtime compensation as a cash payment or as compensatory leave. Effective July 1, 2005, all eligible employees in the Police Department except for employees assigned to Communications Section shall receive cash payment or compensatory time. Effective July 1, 2006 eligible employees in the Police Department's Communications Section shall receive cash payment or compensatory time. The maximum accumulation of compensatory time shall be two-hundred forty (240) hours.

C. Exempt employees shall follow the City overtime policy.

D. The overtime rate of pay for all hours worked on the seventh consecutive day worked in a regular work week shall be at the rate of two (2) times the normal straight time rate of pay.

E. Where, in the normal operation of a Department, work is regularly scheduled on Saturdays and/or Sundays, ten (10) days of work shall be scheduled in each fourteen (14) day period. An employee working this type of schedule shall be paid one and one-half (1½) times his hourly rate as provided above in A, except that for all hours worked in excess of twelve (12) work days during the fourteen (14) day work period, the employee shall be paid two (2) times his hourly rate.

F. Overtime work shall be offered equally to employees working within the same job classification in each work area. The offering of overtime shall be equalized over each six (6) month period beginning on the first day of the calendar month following the effective date of this Agreement or on the first day of any calendar month this Agreement becomes effective. Insofar as practical on each occasion, the opportunity to work overtime shall be offered to the employee within the job classification who has the least number of overtime hours to his credit at that time. If the employee does not accept the assignment, then the employee with the next fewest number of overtime hours to his credit shall be offered the assignment. This procedure shall be followed until the required employees have been selected for the overtime work. Each Department shall maintain an up-to-date list of overtime hours offered and worked which shall either be posted on a bulletin board and/or kept in an overtime log book for employee access.

G. Overtime work shall be voluntary except in the event of an emergency situation. There shall be no discipline against any employee who declines to work overtime, except in the event of an emergency. For the purpose of this paragraph, an emergency situation is defined to mean an unforeseen serious situation or an occurrence that happens unexpectedly and demands immediate action. A record shall be kept for each employee, showing the number of hours of overtime he was offered but refused to work. These hours shall be counted towards overtime hours offered as per Article 18F.

H. Any assigned City vehicle should be returned to the City lot at the close of the work day. Any employee not allowed to leave the job site before quitting time will be paid for the period of time necessary to return the vehicle to the City lot, in accordance with the Employer's overtime policy.

I. Employees of the Police Department shall receive overtime at the rate of one and one-half (1½) times their regular rate, with a two (2) hour minimum for court appearances outside of working hours. Such employees shall also receive overtime at the rate of one and one-half (1½) times their regular rate when summoned as a witness in a departmental hearing outside of working hours.

J. The Employer shall not vary or rearrange work schedules to avoid the payment of overtime. The Police Department may vary or rearrange work schedules of unit employees to accommodate court appearances and this shall not be considered varying or rearranging schedules to avoid the payment of overtime.

K. The Employer will make every effort to pay for overtime hours worked within two (2) pay periods following the pay period in which such overtime was worked.

ARTICLE 19: FLEXTIME

The Employer and CUB agree to cooperate in promoting the highest efficiency and productivity at the least cost to the taxpayer. In the pursuit of this objective the Employer and CUB shall establish a Joint Flexitime Committee consisting of five (5) members appointed by each party for the purpose of studying the issue of flexitime and composing recommendations which would lead to the implementation, where possible, of flexitime rules. The Committee shall meet on a continuous basis upon request of either party. Any Committee recommendations will be submitted to the Labor Commissioner for appropriate action.

ARTICLE 20: VACATION LEAVE

B. Vacation may be taken by employees entitled thereto subject to the approval of their supervisor. Such approval shall not be unreasonably withheld. It is understood that it is unreasonable to deny an employee's vacation request due to normal staffing shortages. Request for vacation on the prescribed agency form shall be completed by the employee and submitted to the supervisor at least one (1) week prior to the requested commencing date, if the leave is to extend for one (1) week or more. Except in cases of emergency, leave requests for amounts of time less than one (1) week are to be submitted at least one (1) full working day prior to the expected start of the leave. Every effort shall be made to respond to vacation requests within one (1) week of initial request. While every effort shall be made to meet the desires of employees who request their periods of vacation leave, vacation schedules must conform to the requirements of operations and vacations must be taken as scheduled by the supervisor. Conflicting requests for vacation shall be resolved on the basis of seniority.

C. Pay for all vacation days will be based on the employee's regular rate of pay.

D. Notwithstanding any provisions in this agreement to the contrary, the parties have reached agreement to modify the provisions set forth in Article 20, Paragraph D of the 2014-2016 MOU as follows:

1. Legacy Account: All vacation accrued by an employee as of July 1, 2015 shall be placed in each employee's vacation accrual Legacy Account for use while an active employee or paid out at the time of termination. No additional vacation days may be added to an employee's Legacy Account after July 1, 2015.

2. Current Vacation Account:

Thereafter, no more than 45 days may be accrued, including frontloaded vacation, into an employee's Current Vacation Account.

(b) Milestones: Employees' frontloaded vacation amount shall be adjusted as follows to reflect any increase due pursuant to the provisions of Article 20, Paragraph A of the MOU: Each employee reaching a milestone (i.e. completed 6, 11, 14, and 19 years of service) will have one quarter day (1/4 day) of vacation leave added to the current account on his/her anniversary date. An additional quarter day of vacation leave will be added each month until the end of the fiscal year in which the milestone occurs. Thereafter, the full allotment of vacation leave will be frontloaded on July 1st in accordance with Paragraph 2(a) above.

i. Example: Employee completing six years of service on December 15, 2016 would receive one quarter day of vacation leave on December 15, 2016. The employee would receive an additional quarter day of vacation leave on January 15, 2017, February 15, 2017, March 15, 2017, April 15, 2017, May 15, 2017 and June 15, 2017. Employees with accrued vacation remaining in their Legacy Account at the time of termination shall be paid out for all such vacation remaining in their Legacy Account. Should the number of Legacy Days remaining in the Legacy Account be less than 45, such employee shall also be paid all days accrued in the employee's Current Vacation Account up to a combined total of 45 days.

(b) During the term of this Agreement, and commencing at the beginning of the fiscal year, vacation leave will be front-loaded by allowing employees to use leave during the fiscal year before it is accrued. If for any reason, an employee separates employment during the year and uses more vacation for the year than has been accrued, the employee will be required to reimburse the City for such used vacation.

4. Police Department: The foregoing shall be applicable to all CUB Members employed by the Baltimore Police Department.

5. Communications: The Employer agrees to distribute a Labor Commissioner Bulletin to all CUB Members to include a Directive from Chief Payroll Director to all Payroll Clerical Personnel setting forth the essential terms and conditions of the Parties' agreement. Such Bulletin to be distributed within two weeks of the execution of this Agreement.

J. Employees who are re-employed, except as specified in I above, following a break in service of more than one year, shall be considered as new employees for the purpose of computing vacation allowance.

K. Whenever employees transfer from a permanent City position to another permanent City position without a break in service, they shall be entitled to retain their vacation, sick leave, personal leave and compensatory time balances.

L. Employees may, when granted leave of absence for military service, utilize their accrued vacation. If such vacation leave is not utilized, it shall be retained pending their return to City service.

M. In addition to payment for the accrued vacation of employees who die, their legal heirs shall be granted a bonus equivalent to the amount of vacation to which the employee would have been entitled for twelve (12) months of service; provided, however, that if within six (6) months immediately prior to the employee's date of death, the employee had been granted extended sick leave in excess of the bonus entitlement, bonus leave shall not be approved. Payment for vacation and bonus leave shall be made to those entitled by law to inherit from the deceased employees.

N. Employees who are separated from City service, regardless of reason, shall be paid in full as of their date of separation for any accumulated vacation (up to the maximum number of days earnable for a four (4) year period), personal leave, overtime, compensatory time (unless exempt from FLSA Provision), or bonus pay, except in the case of bonafide indebtedness to the Employer. The cut-off ticket must contain, therefore, a recording of all leave due to the employees upon their retirement or resignation.

O. All part-time employees hired after June 30, 1982, must consistently work an average of 50% (fifty percent) of a regularly scheduled work week to be eligible for vacation leave. Eligible part-time employees shall accrue vacation leave in accordance with the following schedule:

Q. Employees who have not previously served a probationary period shall earn vacation at the rate of one (1) day per month of completed service and shall be entitled to use their accumulation upon the completion of their probationary period of six (6) months. The probationary period shall not interfere with the employees' privilege of using sick leave or personal leave as it is accumulated; provided, however, that in the event a probationary employee's service is terminated, all earned accumulated leave referred to above shall be forfeited.

Employees who become ill during their vacation may request that their vacation leave be converted to sick leave provided that (1) the illness is reported at its onset and (2) medical verification is provided upon return to work. Only those vacation days upon which the employee was ill will be eligible for conversion to sick leave.

C. There shall be no ceiling on accumulation of sick leave.

D. Employees may convert to cash one (1) day of unused sick leave for each four (4) days of sick leave accrued during the sick leave year at their rate of pay at the time of conversion. The sick leave year begins on the day immediately following the last payroll period in November and extends through the last payroll period in November of the following year. All sick leave days not converted to cash shall be carried forward and retained as accrued sick leave. Payment for such converted sick leave will be made by a separate check, including the usual deductions for taxes and social security, and shall be made to such employees no later than December 24.

E. Employees who resign or terminate employment after June 1 of a given year shall be entitled to convert to cash one (1) day of unused sick leave for each four (4) days of sick leave accrued during the then current sick leave year, at the time of said resignation and/or termination from City Service.

F. In addition to their accrued vacation leave, employees who are pensioned or who elect to terminate their service without pension and have completed at least twenty (20) years of service, regardless of age, shall be entitled to a bonus of one (1) day's pay for each four (4) days of unused accumulated sick leave at the time of their retirement and/or termination from City service.

G. Sick leave will not be granted where there is evidence of abuse of the sick leave principle through malingering or false application for such leave. In the event the Employer believes that evidence of abuse exists and upon request by the employee, the Employer shall provide the employee with the reasons in writing why it is denying the sick leave.

H. Sick leave must be taken in units of at least five (5) minutes.

I. Employees shall notify their department prior to the start of the employee's work shifts on the first day of absence due to illness, and at such intervals as specified by the department for the duration of such absence. Civilian employees of the Fire Department shall not be required to report to the Public Safety Infirmary ("PSI") in order to take sick leave nor shall they be required to report to the PSI in order to return to duty from sick leave.

J. All use of sick leave is subject to verification. Periodic examination by the Employer's physician shall be at the Employer's expense. However, a physician's statement from an employee's private physician may not be required for periods of absence less than three (3) consecutive days, unless abuse is suspected. In the event abuse is suspected, the Employer shall provide the basis for such suspicion at the time a physician's statement is required and provide such explanation, in writing, as soon thereafter as practical.

K. Sick leave with pay shall be granted for pre- or post-natal disability to an employee who is disabled to such a degree that she is unable to provide service to the Employer. The Employer and CUB recognize that this disablement will occur, in most cases, during the period four (4) weeks before delivery and six (6) weeks after delivery.

An employee who is temporarily absent due to reasons described above from her position and who remains on the payroll in either an "S" or "SX" status due to that continuing disability, and who is not on a leave of absence, shall be allowed to return to her respective position at the end of the disability.

L. Should a day designated herein as a holiday occur while an employee is absent on sick leave, such day shall be observed as a holiday and shall not be charged against sick leave.

M. Employees with at least two (2) years of service who are unable to return to work after all of their accrued sick leave, vacation leave, personal leave and compensatory time has been exhausted may request extended leave with pay. If the Department Head deems such an extension advisable, he may recommend it to the Department of Human Resources. Such request must be accompanied by a medical certificate. The formula for sick leave extension will be based on the last three (3) full years, excluding current illness. No extension, however, may exceed the number of days allowed in the basic sick leave plan; one (1) day per month of completed service (or in the case of part-time permanent employees one (1) day for each one hundred sixty (160) hours worked). Upon return to work and after accumulating ten (10) sick leave days, an employee receiving this benefit shall reimburse the City for one-half (1/2) of the extended sick leave days granted. If a request is denied by the Department Head, an appeal may be made to the Department of Human Resources.

N. All part-time employees hired after June 30, 1982, must consistently work an average of 50% of a regularly scheduled work week to be eligible for sick leave. Eligible part-time employees shall accrue sick leave at the rate of one (1) day sick leave for each one hundred sixty (160) hours.

Crossing Guards will be eligible for this prorated benefit.

O. Up to five (5) days of accumulated sick leave may be used by a Unit member, in a rolling year, in the case of illness in the Unit member's immediate family. Employees of the Police Department hired before July 1, 1973 and who do not accrue sick leave are eligible for this benefit. For purposes of this provision, immediate family under the FLMA shall mean child including biological, adopted, foster, step child or legal ward, or other child for whom the employee has day to day responsibilities for care and legal support who is under the age of eighteen or older if the child has a mental or physical disability, spouse, or parent. Should the FMLA be modified so as to change this definition of immediate family, this provision shall be considered so modified.

P. Sick leave that is requested in advance for medical appointments shall not be unreasonably denied nor counted as an occasion against that employee under the Attendance Monitoring Standards Program.

Q. The City Union of Baltimore Sick Leave Bank hereinafter referred to as "the Bank" will continue in effect. Membership in the Bank will be voluntary for all employees. All new employees who request membership will be assessed one (1) day of sick leave for deposit in the Bank.

A member of the bargaining unit may receive a grant from the Bank only after:

1. Filing an application with the Sick Bank Committee.
2. Submitting satisfactory medical evidence of the illness or injury.
3. Submitting evidence of having exhausted all accumulated leave.

The Board of Directors of the Bank shall be composed of four (4) representatives of the Union appointed by the President and four representatives of the Employer appointed by the Labor Commissioner.

New employees must join the Bank within the first thirty (30) days after completion of their probationary periods or lose their right to join until the next contribution period. Employees entering the bargaining unit must join the Bank within the first thirty (30) days or lose their right to join until the next open enrollment period.

Employees may relinquish their membership in the Bank at any time; if they do so, however, they will lose their contributions in the Bank and will not be allowed to join again until the next contribution period.

A member will lose the right to receive grants from the Bank if his employment with Baltimore City is terminated.

All contributions will remain in force and cannot be returned even upon cancellation of membership.

All unused sick leave days in the bank at the end of the year shall be carried over to the next year.

Sick leave conversion shall not be affected by participation in the Bank unless the contribution is taken from the current year's accumulated sick leave balance.

R.

1. Where an employee has a physician's statement permitting the employee to return to work after an extended period of absence for medical reasons (30 days or more), the normal practice shall be that the employee is put back to work. If there is a legitimate medical or business reason, the employee may be required to report for examination to the Employer's physician (Mercy Clinic).

2. In the event the Employer requires an employee to submit to such evaluation, the evaluation shall be limited in scope to the cause of the disability for purposes of determining the employee's fitness for duty. The evaluation shall not require as a condition of employment, a fitness or wellness standard as a condition of employment.

S. The Office of the Labor Commissioner will review requests for exceptions to the Attendance Standards Policy based on extenuating circumstances for employees who reach their 5th occasion and are facing suspension.

ARTICLE 22: PERSONAL LEAVE

A. The City presented a training and development program for FY 2013. The Employer shall conduct an in-service training program which shall be administered by the Department of Human Resources. This program shall include substantive training in policies and procedures which are relevant and important for employees and unit supervisors as determined by the City. Examples of training include sexual and other workplace harassment, workplace violence, compliance with employment laws (FMLA, ADA, Title VII, etc.), substance abuse, etc. The Department of Human Resources shall modify the training from year to year to see that employees get a broader range of training and development.

B. Unit members who are required to take a certification examination as a requirement of their job classification shall be provided time off with pay to sit for such examination when scheduled during normal work hours. Employees scheduled to evening shifts shall be granted permission leave on the evening that such examination is taken.

ARTICLE 37: JOB SECURITY

A. In cases of layoff or job elimination, it is the intent of the parties to (1) identify positions where layoff or job abolishment is imminent and/or foreseeable/anticipated (*e.g.*, water meter section, etc.); and (2) to include planning for employee reassignment, re-training, and placement in other City employment opportunities where possible.

B. In the case of planned layoffs or reductions in force, especially where there is going to be an elimination of a group or unit of employees, the City shall make its best efforts to identify positions which are open and/or for which the laid off employees may be qualified and/or trained to perform. Human Resources from the Agency shall then meet with employees who will be affected by a layoff and provide any job options available and assist employee in finding a suitable position in another section with the member's Department. In cases of layoff, the Agency shall notify the Department of Human Resources of the employee(s) involved. Employees shall be required to advise the Department of Human Resources of any change of address or telephone number so that the employee may be contacted in case of job openings. Where appropriate, the Department of Human Resources shall do a skill assessment of affected employees and recommend re-training.

C. The parties agree that the process to be followed shall differ depending upon whether the amount of notice of the layoff is short or foreseeable well in advance.

D. At least thirty (30) days prior to the effective date of any layoff, the Labor Commissioner shall provide written notice to the Union. The notice shall include the number of positions affected, by division and classification, and a list of all CUB classified positions the Employer is then actively seeking to fill through job posting or other means. Within two (2) weeks of the issuance of the notice to the Union, the Employer shall meet and confer with the Union to discuss the planned layoff and consider alternative proposals.

ARTICLE 38: VISITATION

A. An officer or accredited representative of CUB shall, upon reasonable request by CUB, be admitted to the property of the Employer during working hours and shall be granted reasonable time for the purpose of discussing or assisting in the adjustment of grievances under Article 8 of this Agreement. Each CUB representative wishing to be admitted to the property of the Employer for this purpose shall notify the appropriate management representative in advance. The Employer agrees that during working hours, on the Employer's premises, and without loss of pay, a designated CUB representative shall be allowed to:

1. Post official CUB notices.
2. Transmit communications authorized by CUB or its officers to the Employer or his representative.

B. If any Steward or CUB official charges harassment in the performance of his duties as a representative, the matter shall be resolved between the Labor Commissioner's Office and CUB immediately.

ARTICLE 39: BULLETIN BOARDS

The Employer agrees to provide reasonable bulletin board space (e.g., lobby, break-room, etc.) labeled with CUB's name where notice of official CUB matters may be posted by CUB.

ARTICLE 40: NO STRIKE OR LOCKOUT

A. CUB and its members, individually or collectively, agree that there shall be no strikes, slow-ups, stoppage of work and the City agrees that there shall be no lockout.

B. In the event of an unauthorized strike, slow-up or stoppage, the Employer agrees that there shall be no liability on the part of CUB; provided CUB promptly and publicly disavows such unauthorized strike, orders the employees to return to work and attempts to bring about a prompt resumption of normal operations; and provided further that CUB notifies the Employer, in writing, within forty-eight (48) hours after the commencement of such strike, what measures it has taken to comply with the provisions of this Article.

ARTICLE 41: SUBCONTRACTING

A. During the term of this Agreement, except in cases of emergency, when the Employer is contemplating contracting out work that is normally performed by unit employees, the Employer agrees to give notice as far in advance as practical, where possible at least sixty (60) days, to discuss with CUB, prior to actual implementation, any plan to contract work ordinarily assigned to or performed by CUB-represented employees which would result in a layoff or demotion. The Employer agrees to discuss the impact of such contract, all offered alternatives to contracting out this work or laying off employee, including without limitation, whether the work can be performed with unit employees in a manner which is as cost effective as an outside contract, employment of unit employees in the same or similar classification doing similar work, or in other classifications for which they are qualified.

B. The parties agree that concerns relating to subcontracting are appropriate topics for the departmental labor-management committees.

C. Except in cases of emergency, and from time to time on a temporary basis not to exceed 3 months to address legitimate temporary needs, the Employer shall not allow members of other Baltimore City Bargaining Units, (FOP, IAFF, and AFSCME or Community Aides and Seasonal Maintenance Aides) to perform work which is normally performed by bargaining unit employees at the particular location.

ARTICLE 42: TECHNOLOGICAL CHANGES

The Employer and CUB recognize that advances in technology lead to changes in the work environment. The Employer and CUB also recognize that the retention of experienced employees is essential to efficient City operations.

The Employer and CUB will cooperate in providing transitional assistance to those employees affected by technological changes. The Employer shall make every effort to find a position for which the affected employee is qualified within City employment.

ARTICLE 43: LABOR-MANAGEMENT MEETINGS

The Employer and CUB agree to the establishment of Labor-Management meetings to discuss concerns of both parties and to foster improved communication between the Employer and members of the bargaining unit. The parties shall meet at least once a month, unless both parties agree to waive the meeting. The parties may agree to meet in the interim between regularly scheduled meetings. Labor-Management meetings are not negotiations and cannot add to, subtract from, or otherwise modify the terms of the collective bargaining agreement, nor shall grievances or appeals be discussed at these meetings. Labor-Management Committees shall be composed of no more than five (5) Union representatives and five (5) management representatives. The Union representatives shall be granted paid release time to attend Labor-Management meetings.

At least five (5) working days prior to the agreed meeting date, each party shall provide the other with an agenda. This requirement may be waived by mutual agreement.

ARTICLE 44: LATENESS

The Employer and CUB recognize the issue of lateness as a concern of both management and employees. The Employer and CUB agree to establish a joint labor-management committee consisting of no more than seven (7) Union representatives and no more than seven (7) management representatives appointed by each party for the purpose of examining the lateness problem and developing a lateness policy. This Committee shall convene its first meeting no later than November, 2017 and submit its final report to the Labor Commissioner and the President of CUB no later than June, 2018.

ARTICLE 45: PRINTING OF THE MEMORANDUM

The Employer shall prepare and provide to CUB an electronic copy of the final version of the Agreement as noted by the Board of Estimates in a printable format. Each party shall be responsible for printing copies of the Agreement for its constituents at its own expense.

ARTICLE 46: MISCELLANEOUS PROVISIONS

A. The City shall print and furnish to employees a Department of Human Resources handbook with highlights from Civil Service Rules giving the rights and benefits of employees.

B. The Employer will amend written work rules and policies and take such other action as may be necessary to give full force and effect to the provisions of the Memorandum of Understanding. If any provision of this Agreement or any application thereof to any employee or group of employees is held to be contrary to law by a court of competent jurisdiction, such provision or application will not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications will continue in full force and effect. Any substitute action shall be subject to appropriate consultation with the Union.

ARTICLE 47: TERMINATION, MODIFICATION OR AMENDMENT

A. This Memorandum of Understanding shall become effective on July 1, 2016 and remain in full force and effect until June 30, 2019 unless otherwise stated herein. It shall automatically be renewed from year to year thereafter unless either party shall give the other party written notice of a desire to terminate, modify or amend this Memorandum of Understanding. Such notice shall be given the other party in writing by certified mail no later than January 1 of the year involved.

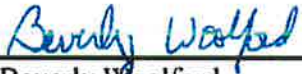

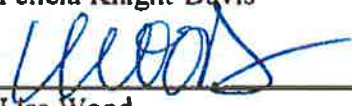

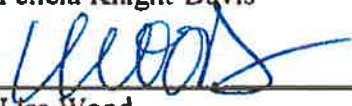

B. This Memorandum of Understanding may be reopened by either party hereto for the sole purpose of studying the reports of the joint labor-management committees provided for in this Memorandum, in order to negotiate and/or prepare recommended amendments to the appropriate Ordinances as may be mutually agreed to by both parties.

C. In the event that the parties are unable to reach agreement on a successor MOU as of the time the existing MOU expires (i.e. June 30, 2019), the terms of the existing agreement shall continue until an agreement is reached or until such time as the impasse and/or fact-finding process set forth in the City's Code, Article 12, §5-5 through §5-7 is completed; provided, however, that the City shall continue to be able to exercise any management rights which it has under this MOU.

The remainder of this page is intentionally left blank.

This Memorandum of Understanding is signed on the 18th day of Sept, 2017,
in Baltimore, Maryland.

ADDENDUM A: TRANSITION HEALTH AND PRESCRIPTION DRUG PLAN AGREEMENT

TRANSITION HEALTH AND PRESCRIPTION DRUG PLAN AGREEMENT

This Transition Agreement is made by and between the City of Baltimore (the "City") and the employee organizations designated as exclusive representatives of City employees in bargaining units certified under the Municipal Employee Relations Ordinance, including CUB, AFSCME, FOP, IAFF, and also including MAPS¹ (the "Unions") (hereinafter referred to as the "Agreement").

WHEREAS, the City and the Unions entered into a Health and Prescription Drug Plan Agreement which was adopted by the Board of Estimates on November 7, 2012 (the "2012 Agreement"); and

WHEREAS, pursuant to Paragraph 14 of the 2012 Agreement, the 2012 Agreement was included as an attachment to each of the Unions' respective collective bargaining agreements (viz. Memorandum of Understanding) to begin with Fiscal Year 2013; and

WHEREAS, the 2012 Agreement is expiring in 2016 for each of the signatory Unions, and the City and the Unions desire to continue to address health and prescription drug benefits on a City-wide basis with an agreement to succeed the 2012 Agreement through December 31, 2017;

IT IS HEREBY AGREED by and between the parties hereto:

I. Health Insurance Committee Meetings and Activities. The Health Insurance Committee ("HIC") that was re-established under Paragraph 9 of the 2012 Agreement shall continue in effect as follows:

a. The HIC shall be composed of equal numbers of Union and City representatives. Each Union and MAPS shall appoint one representative to the HIC, and the City shall designate representatives from the Office of the Labor Commissioner, the Department of Human Resources (including the Division of Employee Benefits), the Department of Finance, and the Office of Mayor. The parties' representatives may designate professional consultants to attend the meetings and participate in the business of the HIC. Should the Unions choose to have a consultant participate in HIC meetings, they shall choose a joint consultant.

b. The HIC shall meet no less frequently than one time each calendar quarter beginning in the month of January to discuss cost containment, efficiencies, wellness, and other relevant issues, to review data for each plan for active employees and other relevant information, as raised or requested by the Unions or the City, or their respective consultants.

¹ The City's obligation to MAPS is to "meet and confer." Consistent with the parties' practice under the preceding Health and Prescription Drug Plan Agreement, MAPS was invited to participate in the discussions regarding this Agreement. Nothing in this Agreement should be construed as modifying MAPS' status under the Municipal Employees Relations Ordinance or in any way creating a duty to bargain with MAPS.

c. The City shall continue to provide the Unions' consultant with the same or similar quarterly information that it has been providing to date. In the event that the Unions' consultant requests to meet and confer with the City's representatives, or requests information related to the City's plans, the City shall respond to such requests within a reasonable period of time (and where the response is a denial of the Unions' request, the City shall provide the reason for such denial). No data or documents may be unreasonably withheld nor may any communication be unreasonably delayed. Any complaints regarding the content or timing of the City's response, if not resolved directly between the consultants or between the Unions' consultant and the involved City representative, shall be brought to the attention of the Labor Commissioner who shall attempt to resolve the issue promptly. Access to data and documents available under this Agreement shall be in addition to any rights or remedies conferred under the State's Public Information Act.

d. One of the aforementioned quarterly HIC meetings shall be used to discuss each health insurance provider's Annual Provider Report as set forth in Paragraph 2 below. The consultants designated by the Unions and the City may be required to attend the HIC meeting(s) concerning the Annual Provider Reports.

2. Annual Provider Reports. Each health insurance plan provider engaged by the City shall provide the City with an "Annual Provider Report" which shall include, for the prior plan year, data relating to enrollment, claims (including data regarding claims exceeding \$75,000), administrative costs, utilization trends, any surplus or deficit for the prior plan year, and other relevant information about the plan. The City shall provide the Annual Provider Reports to the Unions and their consultant promptly after receiving the reports from the providers but in any event no later than June 15.

3. 2017 and 2018 Plan Years Premiums/Premium Equivalents. Subsequent to receiving from its consultant the projected premiums and/or premium equivalent rates for the 2017 and 2018 plan years, the City shall provide the Unions with a report containing the projected premiums and/or premium equivalent rates for each plan (including both self-insured and fully-insured plans) proposed for each of those plan years, with supporting data. Should the Unions or the Unions' consultant wish to confer with the City's consultant concerning the proposed rates, the Unions shall request such meeting(s) in writing no later than 15 days following the disclosure of the proposed rates. Such meeting(s) shall be held prior to the submission of the proposed rates to the Board of Estimates. The City shall consider and respond to the Unions' positions (and those of the Unions' consultants) at least one week before submission of the proposed rates to the Board of Estimates.

4. Current Plans and Cost Sharing. The plan of benefits for each of the City's plans (as published in the City of Baltimore 2016 Benefits Guide) shall remain unchanged for plan years 2016 and 2017. The current statement of benefits is attached hereto as Exhibit A. The current employee/employer split in percentage of premium rates shall remain unchanged for plan (calendar) years 2016 and 2017.

5. Requests for Proposals.

a. It is understood that the City intends to issue Request(s) for Proposals ("RFPs") for some or all of its plans for plan year 2018, through which the City may solicit proposals from current and/or other health insurance providers, as appropriate and consistent with the City's Charter. Before issuing any RFP, the City shall engage in meaningful discussions with the Unions and their benefits consultant between April 1, 2016 and January 31, 2017 about which health insurance benefit programs, benefit options, providers, pricing and methods of delivery are in the best interests of the City and all benefit plan participants. In entering into these discussions, the City does not waive its Charter prerogatives to determine providers and pricing.

b. In addition to the discussions that are described in Paragraph 5.a., above, no less than 45 days before the release of any RFPs, the City shall notify the Unions of the proposed health insurance benefit options and plan structure(s) to be included in the RFP(s). After the Unions have been provided with this information, there shall be at least one HIC meeting at which the Unions shall have a meaningful opportunity to review and discuss with the City the RFP, and to propose changes to the proposed RFP(s) to which the City shall give meaningful consideration and response at least 5 days prior to issuance of each RFP.

c. After the City has received and reviewed the response(s) to an RFP, should the City decide that it wishes to add or eliminate a particular health insurance provider, the City shall so advise the Unions and provide the reasons for its desire to make such a change (e.g., because of proposed premium increases, service to participants, lack of participation in a given plan, efficiency through consolidation, etc.) at least 30 days before such action is recommended to the Board of Estimates. The Unions and the Unions' consultant shall have a meaningful opportunity to discuss within the HIC any such proposed changes before the changes are implemented by the City.

d. The parties shall be reasonable in exercising their rights under this Paragraph 5 and shall not impair or cause any unreasonable delay to the procurement of new health and prescription drug benefits.

e. In any event, all health and prescription benefit procurements shall be subject and subordinate to Article VI of the City Charter, and the sole authority of the Board of Estimates and the Director of Finance in that process.

6. Surplus from Self-Insured Plans.

a. Following the close of each plan years 2016 and 2017, the City shall furnish the plan operating gain/loss statement for each self-insured plan to the Unions through their designated consultant. The plan operating gain/loss statement shall account for premiums collected on behalf of the plan for the benefit year as compared to expenditures for the plan. Expenditures shall include but not be limited to, estimated incurred claims, premiums paid, administrative, network and other fees, and any taxes.

b. In the event that for any plan a surplus results from the difference between premiums and payments received from covered employees in excess of plan expenses in the aggregate for all health and prescription drug plans (i.e., taking into account any variance (positive or negative) in all plans), the appropriate application of any year-end surplus shall be discussed between the City and the Unions to determine what amount, if any, shall be refunded to currently enrolled active employees and/or retained to fund the City's self-insured health insurance plans, including maintaining proper current and/or OPEB reserves. Surplus funds may not be applied by the City for any other purpose than the City's medical insurance plans or OPEB liability.

c. Surplus (between premiums collected and payments disbursed) attributable to currently enrolled active employees may not be used to offset the City's OPEB liability or applied to support the City's OPEB Trust without full and complete disclosure in advance to the HIC.

d. In no event shall any refund from any year-end surplus (as defined herein) exceed the portion of such surplus attributable to active employee premiums.

7. Future Agreements. It is the intent of the parties to enter into negotiations for a successor to this transitional Agreement following the completion of the RFP process referenced in Paragraph 5 above.

8. Resolution of Dispute over Results from Prior Years.

There exists a difference of opinion between the Unions and the City as to the appropriate resolution of the year-end surplus for Plan Years 2014 and 2015, however, all claims and disputes between the Unions and the City with respect to year-end surplus (as defined in Paragraph 6, above) or the use thereof for Plan Years 2014 and 2015 are waived, released, concluded and resolved under this Agreement in this manner:

a. The City shall release the final CareFirst year-end retrospective settlement for plan year 2015 to the Unions' benefits consultant on or before March 15, 2016.

b. The City shall grant one premium holiday to all current CareFirst active employee plan participants, meaning that the City shall not demand payment or payroll deduct premiums in the amount of 1/26th of the annual premium for each employee. Such premium holiday shall occur on the first pay period of June, 2016.

c. These terms are without precedent and without prejudice to any claims or defenses asserted by the parties with respect to future plan years.

9. Attachment to Individual Union MOUs. This Agreement (including referenced attachments) shall be included as an attachment to each Union's MOU.

10. Disputes: All disputes about the application or interpretation of the terms of this Agreement shall first be presented in writing to the HIC, and absent agreement, shall be referred,

collectively by the participating employee organizations that are exclusive representatives under the Municipal Employee Relations Ordinance, and/or the City, for decision by a neutral arbitrator who is a member of the National Academy of Arbitrators using the administrative processes of the American Arbitration Association. The fees and costs of the Association and of the selected neutral arbitrator shall be shared equally between the two parties.

11. Notice: For all purposes, notice to the Unions shall be sufficient if given to the Unions and to the City of Baltimore through correspondence in writing addressed to the Office of the Labor Commissioner

12. Term. This Agreement shall remain in effect through December 31, 2017, except for those provisions which expressly refer to events occurring after that date (e.g., Paragraphs 5 and 6).

ADDENDUM J: 1+1 FINAL AGREEMENT

Tentative Agreement Between City Union of Baltimore and Mayor and City Council of Baltimore July 9, 2009

Whereas the City has determined that effective on or about July 13, 2009, it will implement a system of Solid Waste Collection, previously referred to as the "1+1 Collection System"; and

Whereas the City believes that this System will function most efficiently if various employees, including various Bureau of Solid Waste supervisors who are represented by CUB, work a 4-day/10-hour shift; and

Whereas the Union believes that the 4-day/10-hour shift is one which the affected employees will favor;

Now therefore, the City and the Union agree to modify their Memorandum of Understanding for FY 2009 and FY 2010 as follows:

Article 17: Hours of Work

Amend Article 17 to make the existing paragraph A, subsection A.1, and add a subsection A.2 which shall read as follows:

"A.2. 4-Day/10-Hour Schedule: Effective July 13, 2009, various supervisors in the bargaining unit who are assigned to the Solid Waste Collection (mixed refuse, recycling and corner can collection) may be assigned to a forty (40) hour work week, which shall consist of four (4) 10-hour days, Tuesday, Wednesday, Thursday, and Friday. The employees thus assigned shall be given a paid lunch of forty-five (45) minutes."

Articles 20, 21, and 23 – Vacation, Sick, Personal Leave and Holidays

Add language which reads as follows and which shall apply to leave Articles 20, 21, 22, and 23:

"Effective July 13, 2009, any full day of paid leave used by a member of the bargaining unit who is assigned to Solid Waste Collection on the basis of a four (4) 10-hour day work week shall be debited on the basis of ten (10) hours for each day used. Benefit accruals shall continue to remain the same, so, for example, employees shall continue to receive a total of eighty-eight (88) hours of holiday leave for each year (plus additional paid days off for the General Election Day).

One full day of accrued leave for such events as holidays, vacation, personal leave, and sick leave, shall be accrued on the basis of eight (8) hours of pay.

If an employee accrues and/or uses less than a full day of work, the leave used shall be accounted for in apportioned units of 1/10th.”

Add the following to amend Article 23 Holidays:

“For holiday leave due and accrued under the Holiday provision for those employees assigned to the Solid Waste Collection 4-day/10-hour schedule, ten (10) hours shall be deducted for each observed holiday that falls on the employee’s regular day of work (*i.e.*, Tuesday through Friday). Any hours not expended to cover observed holidays that fall on a regular day of work (*i.e.*, Tuesday through Friday) may be used for paid time off from work on other dates.”

Add the following to amend Article 23, Holidays:

When an observed holiday falls on a regular day of work (*i.e.*, Tuesday through Friday) for ten (10) hour day employees assigned o Solid Waste Collection, a “make up” collection day will be scheduled on the following Saturday. Employees shall be expected to report for work on a “make up” collection day in the same manner as on a regular day of work. Notwithstanding the provisions for Article 23, paragraph C of the current MOU, should July 4th or December 25th fall on a Saturday, such holidays shall be observed on Saturday without movement to the preceding Friday.

Intent of Parties: It is the intent of the parties that employees working the 4-day/10-hour schedule shall continue to receive the same amount of leave for holiday, sick, personal and vacation leave (*i.e.*, eight (8) hours for every day earned/accrued) as they presently receive under the 5-day/8-hour schedule, and that nothing in this Modification Agreement is intended to, nor shall it be construed to mean that such affected employees have conceded any reduction in pay related benefits over those contained in the current MOU between the parties.

ADDENDUM K: CUB UNREPRESENTED POSITIONS

September 15, 2017

Antoinette Ryan-Johnson, President
City Union of Baltimore

RE: CUB Unrepresented Positions

Dear Ms. Ryan-Johnson:

Article 12 Municipal Labor Relations provides that as the Labor Commissioner, I determine units appropriate for representation. Certain governing standards are set forth in the code section in order to aid in those decisions. For example, units appropriate for representation are those that are compatible with the joint responsibilities of the employer and the employees to serve the public. In addition, unit descriptions include job classifications with similar job duties, skills, wages, educational requirements, supervision, hours of work, job location and working conditions.

As part of our agreement, I am conducting a study of unrepresented City Union of Baltimore (CUB) positions which may be appropriate to include in CUB's bargaining unit.

In addition, I am also conducting a study regarding contractual positions in the City of Baltimore to determine if those contractual positions doing CUB bargaining work are in violation of any negotiated agreements with CUB.

I will submit quarterly progress reports to you as I complete each phase of the study.
